

On January 18, online leaders of educational practice (practice on obtaining primary professional skills and skills, including primary skills and abilities of research activities) held an organizational meeting with the heads of the academic groups of 1st year students of the specialty "General Medicine" studying in English ... There were 17 people, including the heads of the practice: associate professor Sapozhnikova S.Yu., assistant Ksenofontova A.G., assistant Mishin A.O. Students can find all the necessary information for successful internship in the Moodle system of ChSU following the link

<https://moodle.chuvsu.ru/course/view.php?id=2561>

Job descriptions, a thematic internship plan, sample documents to fill out, materials for self-study, a video of the meeting, and much more are already published in the "Practice for 1st course students (1st semester) of General Medicine" section in Moodle. Test assignments and case studies will be published later. Information is updated daily!

In order to work in Moodle, a student must:
