

On April 9, 2022, within the framework of the International 56th Scientific Student Conference on Technical, Humanities and Natural Sciences at the Department of Propaedeutics of Internal Diseases with a course of radiation diagnostics, for the second time, an Olympiad in Propaedeutics of Internal Diseases was held for foreign students of the third year of the specialty "General Medicine" studying at English language.

The ceremonial opening of the Olympics began with the words of the Dean of the Faculty of Medicine, Doctor of Medical Sciences, Professor Valentina Nikolaevna Diomidova. The Olympiad was held in two parts: single and team championship. During the single championship, students demonstrated their theoretical knowledge and practical skills in examining a patient. In the second part of the Olympiad, 5 teams competed: in competitions: solving clinical situational problems, listening (auscultatory phenomena of propaedeutics), visual diagnosis "From the first minutes", Diagnostics of "The clinical portrait" of the patient without verbal accompaniment.

25 students from 5 countries of the world took part in the Olympiad.

During the Olympiad, students showed their ability to work in a team, support each other and find solutions to difficult clinical situations.

According to the results of all parts of the Olympiad in the singles championship, the places were distributed as follows:

1st place - 3rd year student of Mustafa Mohamed Kotb.

2nd place - 3rd year students Prianka Naghare, Alalo Nasr Aadein.

3rd place - 3rd year students Kesarwani Khushi, Kesari Shivam, Khobragade Esha Vinod.

In the team championship of the Olympiad, the winners became the team "The White Coat" (Abdelrahman Dina A. A., Alalo Nasr Aadein, Ansari Akram, Abdul Rahim, Kar Anshumaan).

2nd place - "Anandi" (Khobragade Esha Vinod, Kesarwani Khushi, Prianka Naghare, Pranal Bekkard, Eman Ahmed).

3rd place - "Mysterios" (Preeti, Farheen, Shubham, Kesari Shivam, Vivek S.).

All students received a certificate of participants in the Olympiad, the winners and prize-winners were awarded diplomas and prizes. Congratulations to the winners of the Olympiad, thank you all for your active participation and hope to see you again next year!
